Dear Nga,

I'm very pleased that we're going to be pen pals. I'll tell you a little about myself, and you can do the same when you write to me.

I live in an area of London called Maida Vale. It's quite near the centre, but there are parks nearby where I often take my dog, Mickey, for a walk. I live with my parents and my younger brother, Paul. My father works for the post office and my mother has a part - time job as a nurse.

I go to the local comprehensive school, where I have a lot of friends. I like most subjects, but not all of them! In the evening I sometimes visit friends or stay at home and listen to music, and at the weekends I like going swimming or horse - riding.

At the moment I'm working very hard because I have exams soon, so I'm spending a lot of time in the library!

I'm looking forward to hearing from you. Write soon!

Best wishes,

John

I am Lam. There are four people in my family. Each of us has a different hobby. My dad likes reading newspapers because he can get the latest news every morning. However, my mom enjoys watching TV and reading magazines. Mom often spends hours reading articles about fashion and cooking. Unlike my mom and dad, my brother only loves exploring websites about cars. He spends most of his free time getting information about the history and development of cars. He also writes emails or chats with his friends about his hobby. For me, I am really interested in listening to music. I love listening to music on the FM radio. I like music program on TV on Sundays, too.
